

<Tour de App>

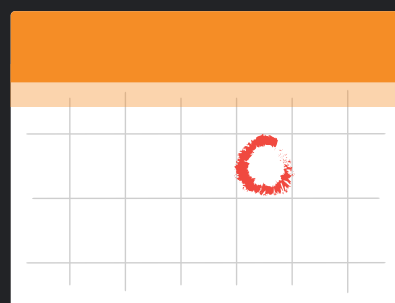

How does the competition work?

Assemble a team with **2-3 members**

Register your team through a **teacher**

Registration takes place from
13th of October to 12th of December.

The assignment in the **Nomination Round**
will be published on our website, namely
on **27th of October**

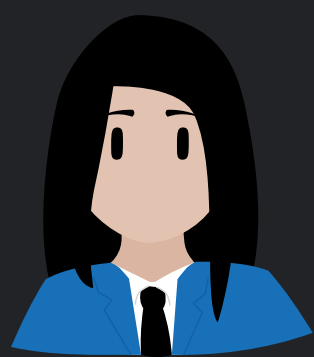

In each round, both the **functionality**
of the application and compliance with
the **brand manual** are evaluated.

After the nomination round (**16th of January**)
an **announcement** of the results of the
Nomination Round in-person will take place,
where you will get to know if you continue to the
Competition Round and you will receive a **certificate**
of attendance in the Nomination Round.

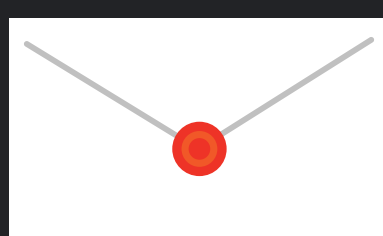

If the attendee's capacity is full or you can't attend
the results announcement, fear not, the **results** will
be available to everyone by **e-mail** or on our **web**.
We also publish them on our **Discord**.

In the **Competition Round** that starts on **9th of February** begins
the communication with the **client**. Team can have up to **3 online**
meetings (once a week), where the details of the assignment
are revealed.

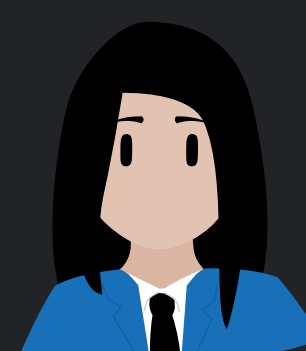

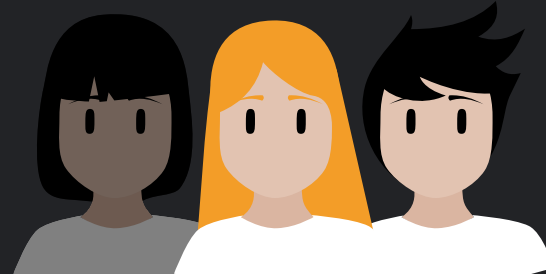

From the **start** of the Competition Round, the contestants may
consult the specific issues with a **mentor** with experience.

After the end of the Competition
Round (**6th of March**) you will receive
the results by e-mail or on our web
once more.

The **Grandfinale** of this year's competition
is in **27th-29th of March** at FI **MUNI**.

You will receive **brand new assignment** in Saturday morning at the **Grandfinale**.
The Teams will again, this time in person, communicate with the **clients**
and **mentors**. **TOP 5 teams** will be announced on Sunday, these teams will
pitch their applications in the morning to attract potential investors,
aka the judges.
